Grafton, Sept 3rd 1914

Dear Dr Falconer:—

I think that the Board of Governors have not yet appointed William Allingham to act as Attendant in the Department of Mineralogy of the University for 9 months @ $60 per month for the current session. If this has been done I should

2

be glad to know — or if it has not yet been arranged I wish it could be done at an early date. The address of William Allingham is c/o J. W. Woods, Grafton Ontario.

Yours sincerely

T. L. Walker

DEPARTMENT OF MINERALOGY.
UNIVERSITY OF TORONTO.

April 29th 1915.

Dear Dr Falconer:-

Several of the members of that Conference on Graduate Studies go to Niagara on Monday next - would it be possible to have our final meeting on Saturday so as to allow a full meeting?

Yours sincerely
T. C. Walker.

ROYAL ONTARIO MUSEUM OF MINERALOGY,
S.W. CORNER OF BLOOR AND AVENUE ROAD,
TORONTO, CANADA,

June 21st 1913

Dear Dr Falconer:-

I enclose two letters one from Wilson and one from Ledoux. I have heard from Mrs Ledoux that her husband had a bad turn & that she proposes to go down to Ottawa to meet him, possibly on Saturday next. I have urged her that in case his health requires it he should return to the city where he could have more care and also the benefit of a consultation of medical men. This would give Dr Clarke an opportunity of meeting Ledoux & hearing about his case. If you can find time it might be well to write Dr Ledoux stating that you had learned through me that he had not been well & suggesting that he would be welcome to return to the city & carry on his work here for the

summer. The Survey might even allow him his pay while he works on the material he has already gathered. If he were in receipt of such a note when Mrs Lebaux visits Hana we might get him back here early. I shall write to him along this line also.

Yours sincerely

T. C. Walker
